Glossary

Colonists: noun; people who have left their country to form in a new land a settlement subject to the parent country.

Endured: verb; to continue to exist; last.

Establish: to create, organize, or form something permanently.

Natives: noun; people indigenous or original to a certain place.

Settlement: noun; a thinly populated colony, small community, or village in a new country or place.

Toll: noun; loss or damage incurred through a disaster or accident.
