Glossary

Budget: noun; a total sum of money set aside or needed for a purpose, as a construction budget.

Contractors: noun; a person who makes an agreement with another party or parties to perform work at a certain price or rate.

Incumbent: adjective; holding an indicated position, role, or office currently.

Polarized: adjective; to divide into sharply opposing factions or political groups.

Terminal: noun; a station on the line of a public carrier, as in a city center or at an airport, where passengers embark or disembark and where freight is received or discharged.

Tribute: noun; a gift, testimonial, or compliment given as due or in acknowledgment of gratitude or esteem.
