February 26, 1926: Tiger Flowers Wins Championship

Daily Activity

Introduction:

The daily activities created for each of the Today in Georgia History segments are designed to meet the Georgia Performance Standards for Reading Across the Curriculum, and Grade Eight: Georgia Studies. For each date, educators can choose from three optional activities differentiated for various levels of student ability. Each activity focuses on engaging the student in context specific vocabulary and improving the student’s ability to communicate about historical topics.

One suggestion is to use the Today in Georgia History video segments and daily activities as a “bell ringer” at the beginning of each class period. Using the same activity daily provides consistency and structure for the students and may help teachers utilize the first 15-20 minutes of class more effectively.

Optional Activities:

**Level 1**: Provide the students with the vocabulary list and have them use their textbook, a dictionary, or other teacher provided materials to define each term. After watching the video, have the students write a complete sentence for each of the vocabulary terms. Student created sentences should reflect the meaning of the word based on the context of the video segment. Have students share a sampling of sentences as a way to check for understanding.

**Level 2**: Provide the students with the vocabulary list for that day’s segment before watching the video and have them guess the meaning of each word based on their previous knowledge. The teacher may choose to let the students work alone or in groups. After watching the video, have the students revise their definitions to better reflect the meaning of the words based on the context of the video. As a final step, have the students compare and contrast their definitions to their textbook, dictionary or other teacher provided materials definitions.

**Level 3**: Provide the students with the vocabulary list and have them use their textbook, a dictionary, or other teacher provided materials to define each term. After watching the video, have the students write a five sentence paragraph based on the provided writing prompts.
Vocabulary/Writing Prompts:

**Writing Prompts**

1. How does the story of Tiger Flowers help us understand the culture and society of Georgia in the 1920s? In a five-sentence paragraph use examples from the video segment to explain how the story of Tiger Flowers can help us understand about life in Georgia during the 1920s.

2. In a five-sentence paragraph explain what “his showmanship was tempered by an unthreatening demeanor and deep convictions” means. It would help to look up the definition of showmanship, tempered, demeanor, and convictions.
