Glossary

Assured: verb; to cause to know surely; to guaranteed, secure, confirm, or render safe.

Bluff: noun; a cliff or hill, with a broad, steep face, especially on a coastline.

Diplomacy: noun; skill in managing negotiations or handling people so that there is little or no ill will; tact.

Monument: noun; something erected in memory of a person or event, as a building, pillar, or statue.

Ultimately: adverb; in the end; at last, finally.
