Vocabulary

<u>Word</u>	<u>Part of Speech</u>	<u>Definition</u>
Pastored	Verb	to act as pastor for a church or congregation
Steeped	Adjective	To be completely immersed or surrounded by something. It is a metaphor to the act of steeping tea leaves in hot water to make tea.
Lost Cause	Noun	The argument of the Lost Cause insists that the South fought nobly and against all odds not to preserve slavery but entirely for other reasons, such as the rights of states to govern themselves, and that southerners were forced to defend themselves against Northern aggression.
Paraded	Verb	Being taken in a moving line of people or things intended to be publicly displayed
